CHORUS

TITANIC

Oh they built the ship Titanic to sail the ocean blue
and they said it was a ship that the waves would
never go through

It was on its maiden trip
when the iceberg hit the ship
It was sad when the great ship went down
to the bottom

Chorus:

Oh it was sad so sad it was sad so sad
It was sad when the great ship went down
To the bottom of the sea (e-e-e)
(Husbands and wives, little children lost their lives)
It was sad when the great ship went down
To the bottom!

Oh they weren't too far from shore,
just a thousand miles or more
When the rich refused to associate with the poor
So they put them down below,
where they'd be the first to go
It was sad when the great ship went down
to the bottom

CHORUS

Oh they swung the life boats out,
O're the dark and stormy sea
And the band struck up
nearer my God to thee
Itty bitty children wept and cried,
as the waves swept over the side
It was sad when the great ship went down
to the bottom

CHORUS

Oh the moral of this story is plain as plain can be
Always wear a life preserver,
and never go out to sea
The Titanic never made it across the ocean blue
It was sad when the great ship went down
to the bottom

CHORUS

They built another ship and they named it Marylou
The bow was painted pink,
and the stern was painted blue
They christened it with beer,
and it sank right off the pier
It was great when the sad ship went down
to the bottom
It was great so, great, it was great so great
It was great when the sad ship went down to the
bottom of the sea (e-e-e)
(Uncles and aunts little children lost their pants)
It was great when the sad ship went down
To the bottom

THREE BEARS

Once upon a time there were three bears
First there was a papa bear
Then there was a mama bear
Then there was a baby bear

Along came a walkin', a talkin'
A wee girl with blonde hair
And her name was Goldilocks
And upon the door she knocked
A boom, a boom, a boom, boom, boom.

Well she walked right in,
and she had herself a ball.
She didn't mind at all, uh-uh.

Home, home came the three bears
Someone's been eating my porridge,
said the papa bear
Someone's been eating my porridge,
said the mama bear
Then the little wee bear, said the little wee bear,
Some has broken my chair, Wooo.

Goldilocks she woke up, she broke up
The party and she beat it out of there.
Bye bye said the papa bear, bye bye.
Bye bye said the mama bear, bye bye
Then the little wee bear, said the little wee bear
Someone has broken my chair, Wooo.

BACKWARDS SONG

Well I walked up the door
and I opened the stairs.
Said my pajamas, and I put on my prayers
Turned off the bed, and I jumped into the light
All because you kissed me goodnight
Well I woke up next morning
and I scrambled my shoes
Shined up the eggs, and I toasted the news
Buttered my tie, and I took another bite
All because you kissed me,
never could resist me,
All because you kissed me goodnight.

THE CANNIBAL KING

Oh the cannibal king with the big nose ring
Fell in love with a dusky maid,
And every night by the pale moon light,
Through the forest he would swing

Oh he hugged and he kissed
his pretty little miss
In the shade of the bamboo tree
And every night in the pale moon light
It sounded like this to me

Barump, (smack smack)
barump, (smack, smack)
Barump di dee dah dee ay ay ay
Barump, (smack, smack)
Barump, (smack, smack)
Barump di dee dah dee ay ay ay

We'll build a bungalow, big enough for two
Big enough for two my darling,
Big enough for two.
Then when we're married,
how happy we will be,
Underneath the bamboo,
Underneath the bamboo tree.

If you'll be M-I-N-E mine
I'll be T-H-I-N-E thine
And I will L-O-V-E love you

She ate oysters by the pail . . .
By thimble, by teacup, by bathtub,

Her teeth went on for miles and miles . . .
And tonsils, and spare ribs, and things too
fierce to mention

Now what would you do with a whale like that?

Now what would you do,
if she sat on your hat...
Or your toothbrush . . .
Or your counselor . . .
Or anything that's helpless, like that?

MAGIC PENNY

Love is something if you give it away,
Give it away, give it away, Oh
Love is something if you give it away,
You'll end up having more

It's just like a magic penny,
Hold it tight and you won't have any.
But lend it, spend it and you'll have so many,
they'll roll all over the floor (floor).

Love is something if you give it away,
Give it away, give it away, Oh
Love is something if you give it away,
You'll end up having more.

MAKE NEW FRIENDS

Make new friends but keep the old
One is silver and the others gold.
A circle's round; it has no end.
That's how long I want to be your friend

BEAR SONG

(Call and repeat each line
Sing the entire verse
“Ding a ling ha ha”)

The other day
I met a bear
A great big bear
Oh way up there

He looked at me
I looked at him
He sized up me
I sized up him

He said to me
Why don't you run
I see you ain't
Got any gun

And so I ran
Away from there
But right behind
Me was that bear

Ahead of me
There was a tree
A great big tree
O lordy me

The lowest branch
Was ten feet up
I'd have to jump
And trust my luck

And so I jumped
Into the air
But I missed that branch
Oh way up there

Now don't you fret
And don't you frown
'Cuz I caught that branch
On the way back down

That's all there is
There ain't no more
Unless I meet
That bear once more

MOUNTAIN DEW

Chorus:

And they call it that good old Mountain Dew
And them that refuse are few, mighty few
I'll hush up my mug if you fill up my jug
With some good old mountain dew

Down the road from me,
Stands a big hollow tree
You lay down a dollar or two (or three)
Well you go 'round the bend,
And you come back again
With some good ol' mountain dew

CHORUS

My Uncle Bill has a still on the hill
He puts out a gallon or two (or three)
Well the birds in the sky,
Get so high they cannot fly
From the good ol' mountain dew

CHORUS

My Uncle Mort is sawed off and short
He measures 'bout four foot two (or three)
But he roars like a giant,
When he has himself a pint
Of that good ol' mountain dew

CHORUS

My Auntie June bought some Paris perfume
It cost her a dollar or two (or three)
Well she was surprised,
When she had it analyzed
Was that good ol' mountain dew

CHORUS

My Aunt Lucille bought an automobile
It cost her a thousand or two (or three)
Well it don't use no gas and it don't use no oil
Just some good ol' mountain dew

CHORUS

Well the preacher came by,
With a tear in his eye
Said his wife had come down with the flu,
Boooooooo-Hooooooo!
Well I think that we ought, to give her a shot,
Of that good ol' mountain dew

PERCY THE PALE FACED POLAR BEAR

Way up in the land of ice and snow
Where the temperature drops to forty below
Who's the happiest one up there?
Percy the pale-faced Polar Bear.

He sleeps all day and then at night,
Catch a few fish by the pale moon light.
Has no worries, has no cares.
Percy the pale-faced Polar Bear.

Then one day a hunter came,
Caught poor Percy by the snout.
Put him in a great big cage.
Percy howled and he growled,
But he couldn't get out.

Now he's living in a zoo.
Funny thing is he likes that too,
Cause he met his girlfriend there.
And she loves . . .
Percy the pale-faced polar bear (Who?)
Percy the pale-faced polar bear (Who?)
Percy the pale-faced polar bear (Oh!)

From the lakes, from the hills, from the sky.
All is well, safety rests.
Day is done.

PASS IT ON

It only takes a spark, to get a fire going.
But soon all those around,
Can warm up in its' glowing.
That's how it is in friendship,
Once you've experienced it.
You spread your love to everyone
You want to pass it on.

4-H CAMP SONG

Shankitunk, My Shankitunk
Here is where we gather.
By the flowing Delaware,
4-H Camp forever.
Bring your youth and bathing suit
Our first settler's story:
How he worked and fought and won,
For our country's glory.

Now Farewell, my Shankitunk
We'll forget thee never.
But will love thee more and more
4-H Camp forever
With our campfires ruddy glow,
Eats and hikes and playing,
Bring us back to camp next year
Now is what we're saying.
