UPS AND DOWNS OF CAMP

(THERE ARE NO DOWNS!!)

By Kora

At camp there are many fun things to do. Here are some things people have said on what they like about camp:

“I like four-square and swimming.”

“I like the classes Newspaper and Nature.”

“The food!”

“I love to sing!”

“Everything!”

“Archery, Rocketry, and Rec’s are my favorites.”

Some things that I like are the pool, hanging out with friends, the games, activities, and singing. I also like that you get to choose the classes you like. But it is up to you to think of the things you like at camp!

Advice Column

By: Olive and Kieran

Someone in my cabin snores really loud. What should I do?

-Can't Sleep

When you go to sleep, pretend to snore really loud. They'll get the message.

I take Backpacking 2 and there are three boys that drive me nuts! Any advice?

-Fed Up

Don't get involved with them, but say something to them if it's really bothering. You can also tell the counselor..

There's someone in cabin who's really annoying but she's my best friend. What should I do?

-Annoyed

You should tell them what's bothering you. You should also hang out with other people; make new friends.

People keep looking at me funny. What should I do?

-Weirdo

Pretend to do something weird or gross while they're looking at you and they'll know that you know that they're looking at you.

During Rec I feel really lost and left out. I don't know what to do and my friend always play Four Square which I hate. Any advice?

-Left Out

What do you like to do? There are many things that you can do at camp. Also, camp is a place that you can make new friends. Step out of your comfort zone. Maybe try playing Four Square, or introduce yourself to someone that you don't know. Let your friend that you guys are still friends. Don't draw away from them completely, but hang out with your new friends as well.

My friends keep telling me riddles and then laughing at me when I don't know the answer. Help!

-Feeling Dumb

Tell them that you don't like riddles and try to change the subject. If that doesn't work, tell a counselor..

Cabin Art

By: Io

It looks like the cabin bunks are filled with wordy rumors. A kid said that his bunk says “you will die at 10:01 PM. There are so many addresses and names. There are even pictures all over. This includes the walls and door.

A Ghost Story

By: Nini

Amy closed her eyes. It was her first night at camp, and she could not get to sleep. Suddenly, she heard a sound like the whisper of wind in the leaves. She turned and saw, in the dim light a girl wearing an old-fashioned nightgown. Assuming she was one of the other girls in her cabin, she turned away again. But as she turned she heard the girl whisper, “Lydia. I am Lydia.” The next day, Amy was confused. There was nobody in her cabin named Lydia. “Who is Lydia,” she wondered as she walked to swim class. She saw a flicker of light at the edge of her vision. She turned her head to the “cabin 13” shed. She saw Lydia in front of the shed, but she could see through her, as though she were a ghost. “I will see you tonight,” whispered Lydia. That night, Amy asked, “Lydia are you a ghost?” She answered, “Yes and I was in cabin 13.” Amy felt like she was dreaming. She was talking to a ghost! Lydia exclaimed, “I lost my necklace. I gave it to Lizzie. She put it under her mattress which is now your mattress. I couldn’t lift it. Please give it to me!” She was so excited that she couldn’t speak properly. Slowly, Amy reached under her mattress and uncovered a necklace strung with pearls. She handed it to Lydia. “Thank you,” whispered Lydia. Then she slowly faded away, never to be seen again. THE END.
