Once A Camper

By Brynne Backus

Once a camper went to camp, went to camp
Went to bed without a lamp, without a lamp
Saw a bed bug sitting in her bed
This is what the camper said ,camper said
Bed bug, bed bug go away, go away
I'm afraid you can not stay ,can not stay
Remember what the camp director said
No two people in one bed, in one bed

Advice

How should I make friends at camp?

To make friends at camp just go up to people that you may have class with or are in your platoon or cabin and then just start talking to them. You can play four square together, swim in the pool or go to the craft hall to learn more about each other.

How should I learn camp songs?

To learn camp songs just try and listen to what the counselors are saying and repeat after them or you can ask your counselor what the words are, or even ask some friends who know what the words are. Or you can borrow a camp song book from someone and try an memorize the words.
