GAME REVIEWS

By Casey-Lynne

Pirate Ball– *** Pirate ball is awesome. Many people enjoy it and since there are a lot of campers you never really get bored because you are constantly doing something.**

Olympics– ** The Olympics are very long and waiting for you turn can be very boring and its hard to have patience even when cheering your team on. However if you like the sport you were chosen for you may enjoy it.

Clue– ** Clue is very funny depending on what a counselor asks you to do for them. However the game does last a long time so it is hard to figure out all of the information before time is up.**

4 Square– *** 4 square is hard at times but can be very fun and addicting. It gets pretty intense very quick and you have to be fast to hit the ball. All together lots of campers enjoy it.**

Sink or Swim

By: Collins

“Congrats team Shankitunk swimmers. You are the winners of the all sport challenge.” Said the announcer.

“In second place is the climb team. Swimmers you are heading to the Olympics.”

The next day the swimmers were swimming. Little did they know that a pre-programmed monster was lurking in their pool

As they started swimming, one boy got dragged down and put in the belly of the mechanical monster. The next day a girl. The swimmers knew something was up. I mean swimmers just don't disappear .

They figured it was the rock climbers. So they went over to where the climbers climbed.

“We know what and why you are doing what you are doing what you are doing. We came to make a trade.” Said the swim coach.

“A trade?” Said the rock climb leader.

“Yes, you give us back our swimmers, and you go to the Olympics.”

The climbers agreed.
